Providing FREE Dental Care to Our Community

**Bolivia, NC – February 26, 2019** – Coastal Cosmetic Family Dentistry announced today that once again this year they will be hosting their 8<sup>th</sup> annual Dentistry from the Heart event at the Bolivia office on Friday May 3<sup>rd</sup>. Drs. Wilharm, Harrington, Miller, Hohl, Dobransky, Liu and Ramsbottom and their staff will provide free dental care for over 200 patients on this special day. **Dental services will once again be provided to the community for free on a first-come, first-served basis at their Bolivia office.** "We love this community," shared Dr. Aaron Wilharm, "when I walk across our parking lot on the morning of the event and see so many people ready to help others, it warms my heart." [See what the staff has to say about this special day.](#)

**Last year, the dentists of Coastal Cosmetic Family Dentistry, volunteers and sponsors provided 202 patients with a free extraction, filling or cleaning.** To date, Coastal Cosmetic Family Dentistry has donated over \$375,000 in free dental care to more than 1,500 Brunswick County residents through this annual event. Community Relations Director, Jackie Pappas, noted that "support from the business community for this event grows each year as does the line of patients beginning in the wee hours of the night before the event," and that **"our goal is for every patient treated at Dentistry from the Heart to feel special and welcomed. Support from the business community helps us to provide the best possible experience for them."**

In 2001, New Port Richey dentist, Dr. Vincent Monticciolo, created Dentistry from the Heart as a way to give back to his community by providing aid to the growing number of Americans without dental insurance.

**Join Coastal Cosmetic Family Dentistry on May 3, 2019 as they open their hearts to spread free smiles across Brunswick County.** The event begins at 7:30 am at the Hwy 211 office at 3071 Southport-Supply Road, Bolivia, NC.
